Opening Doors to Opportunity

Welcome to an evening of possibility, purpose, and play. We're delighted you're here to celebrate what makes MOXI so special: the joy of discovery, the power of play, and the sense of wonder that comes when children are free to explore, experiment, and imagine.

This one night of generosity helps bring these experiences to thousands of children and families throughout our community, giving more children the opportunity to follow their curiosity, build confidence, and develop a love of learning.

We're grateful to share this evening with you and to be part of a community that believes every child deserves the chance to wonder, create, and enjoy a brighter future.

Together, let's Play It Forward.
